HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

All monopolies and grants, etc., thereof, or of dispensations and penalties declared void.

1. All monopolies, and all commissions, grants, licenses, charters, and letters patents, heretofore made or granted, or hereafter to be made or granted, to any person whatsoever, of or for the sole buying, selling, making, working, or using, of any thing within Ontario, or of any other monopolies, or of power, liberty, or faculty, to dispense with any others or to give license or toleration to do, use or exercise anything against the tenor or purport of any law or statute, or to give, or make, any warrant for any such dispensation, license, or toleration, to be had or made, or to agree or compound with any others for any penalty or forfeitures limited by any statute, or of any grant or promise of the benefit, profit or commodity of any forfeiture, penalty or sum of money that is, or shall be, due by any statute, before judgment thereupon had, and all proclamations, inhibitions, restraints, warrants of assistance, and all other matters and things whatsoever any way tending to the instituting, erecting, strengthening, furthering, or countenancing, of the same, or any of them, are altogether contrary to the laws of Ontario, and so are and shall be utterly void and of none effect, and in no wise to be put in use or execution. 21 Jac. I, c. 3, s. 6.

2. All champertous agreements are forbidden, and invalid. *(Added in the Revision of 1897.)* Champertous agreements void.

R.S.O. 1897, CHAPTER 330

An Act respecting Real Property

(*Quia Emptores, etc.*)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

* * * * * * * * * *

Freeholders may sell their lands so that the feoffee do hold of the chief lord.

2. Forasmuch as purchasers of lands and tenements of the fees of great men and other lords, have many times heretofore entered into their fees, to the prejudice of the lords to whom the freeholders of such great men have sold their lands and tenements to be holden in fee of their feoffers, and not of the chief lords of the fees, whereby the same chief lords have many times lost their escheats, marriages, and wardships of lands and tenements belonging to their fees; which thing seemed very hard and extreme unto those lords and other great men, and moreover in this case manifest disheritance: It is therefore provided, and ordained, that from henceforth it shall be lawful to every freeman to sell at his own pleasure his lands and tenements, or part of them, so that the feoffee shall hold the same lands or tenements of the chief lord of the same fee, by such service, and customs as his feoffer held before. 18 Edw. I, c. 1 (commonly called "The Statute *Quia Emptores*").

Sale of part.

Apportionment of services.

3. And if he sell any part of such lands or tenements to any, the feoffee shall immediately hold it of the chief lord, and shall be forthwith charged with the services, for so much as pertaineth, or ought to pertain to the said chief lord for the same parcel, according to the quantity of the land or tenement so sold: And so in this case the same part of the service shall remain to the lord, to be taken by the hand of the feoffee, for the which he ought to be attendant and answerable to the same chief lord, according to the quantity of the land or tenement sold, for the parcel of the service so sold. 18 Edw. I, c. 2.

Mortmain prohibited.

4. And it is to be understood, that by the said sales or purchases of lands or tenements, or any parcels of them, such lands or tenements shall in no wise come into mortmain, either in part or in whole, neither by policy nor craft, contrary to the form of the statute made thereupon. And it is to wit, that this and the

two preceding sections of this Act extend only to lands holden in fee simple. 18 Edw. I, c. 3.

* * * * * * * * * *

Warranties abolished.

11. Lineal and collateral warranties at common law, with all their incidents, are abolished; but the liability of the executors, or administrators, or devisees, of any person who shall have made any covenant, is unaffected by this section. (*See 4 and 5 Anne, c. 3 (or c. 16 in Ruffhead's Ed.), s. 21.*) 2 Edw. VII, c. 1, s. 7.

VIII, c. 10, s. 1. Persons entitled to the use of lands, shall stand and be seized, and be deemed in lawful seizin and possession of the lands.

3. VIII, c. 10, s. 2.

SCHEDULE

TO THE KING'S MOST EXCELLENT MAJESTY

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Senate and Commons of Canada, in Parliament assembled, humbly approach Your Majesty for the purpose of representing that it is expedient to amend the scale of payments authorized under section 118 of the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, commonly called the *British North America Act, 1867*, or by or under any terms or conditions upon which any other provinces were admitted to the Union, to be made by Canada to the several provinces of the Dominion for the support of their Governments and Legislatures by providing that—

A. Instead of the amounts now payable, the sums hereafter payable yearly by Canada to the several provinces for the support of their Governments and Legislatures be according to population, and as follows:—

(*a*) Where the population of the province is under 150,000, $100,000;

(*b*) Where the population of the province is 150,000, but does not exceed 200,000, $150,000;

(*c*) Where the population of the province is 200,000, but does not exceed 400,000, $180,000;

(*d*) Where the population of the province is 400,000, but does not exceed 800,000, $190,000;

(*e*) Where the population of the province is 800,000, but does not exceed 1,500,000, $220,000;

(*f*) Where the population of the province exceeds 1,500,000, $240,000.

B. Instead of an annual grant per head of population now allowed, the annual payment hereafter be at the same rate of eighty cents per head, but on the population of each province, as ascertained from time to time by the last decennial census, or in the case of the provinces of Manitoba, Saskatchewan, and Alberta respectively, by the last quinquennial census or statutory estimate, until such population exceeds 2,500,000, and at the rate of sixty cents per head for so much of said population as may exceed 2,500,000.

C. An additional allowance to the extent of one hundred thousand dollars annually be paid for ten years to the province of British Columbia.

D. Nothing herein contained shall in any way supersede or effect the terms special to any particular province upon which such province became part of the Dominion of Canada, or the right of any province to the payment of any special grant heretofore made by the Parliament of Canada to any province for any special purpose in such grant expressed.

We pray that Your Majesty may be graciously pleased to cause a measure to be laid before the Imperial Parliament at its present Session repealing the provisions of section 118 of the *British North America Act, 1867*, aforesaid, and substituting therefor the scale of payments above set forth, which shall be a final and unalterable settlement of the amounts to be paid yearly to the several provinces of the Dominion for their local purposes, and the support of their Governments and Legislatures.

Such grants shall be paid half-yearly in advance to each province, but the Government of Canada shall deduct from such grants as against any province all sums chargeable as interest on the public debt of that province in excess of the several amounts stipulated in the said Act.

All of which we humbly pray Your Majesty to take into your favourable and gracious consideration.

Speaker of the Senate.

IMPERIAL, 22-23 GEORGE V, CHAPTER 4

An Act to give effect to certain resolutions passed by Imperial Conferences held in the years 1926 and 1930

[*11th December, 1931*]

WHEREAS the delegates of His Majesty's Governments in the United Kingdom, the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, the Irish Free State and Newfoundland, at Imperial Conferences holden at Westminster in the years of our Lord nineteen hundred and twenty-six and nineteen hundred and thirty did concur in making the declarations and resolutions set forth in the Reports of the said Conferences:

And whereas it is meet and proper to set out by way of preamble to this Act that, inasmuch as the Crown is the symbol of the free association of the members of the British Commonwealth of Nations, and as they are united by a common allegiance to the Crown, it would be in accord with the established constitutional position of all the members of the Commonwealth in relation to one another that any alteration in the law touching the Succession to the Throne or the Royal Style and Titles shall hereafter require the assent as well of the Parliaments of all the Dominions as of the Parliament of the United Kingdom:

And whereas it is in accord with the established constitutional position that no law hereafter made by the Parliament of the United Kingdom shall extend to any of the said Dominions as part of the law of that Dominion otherwise than at the request and with the consent of that Dominion:

And whereas it is necessary for the ratifying, confirming and establishing of certain of the said declarations and resolutions of the said Conferences that a law be made and enacted in due form by authority of the Parliament of the United Kingdom:

And whereas the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, the Irish Free State and Newfoundland have severally requested and consented to the submission of a measure to the Parliament of the United Kingdom for making such provision with regard to the matters aforesaid as is hereafter in this Act contained:

(2) No law and no provision of any law made after the commencement of this Act by the Parliament of a Dominion shall be void or inoperative on the ground that it is repugnant to the law of England, or to the provisions of any existing or future Act of Parliament of the United Kingdom, or to any order, rule or regulation made under any such Act, and the powers of the Parliament of a Dominion shall include the power to repeal or amend any such Act, order, rule or regulation in so far as the same is part of the law of the Dominion.

Power of Parliament of Dominion to legislate extra-territorially.

3. It is hereby declared and enacted that the Parliament of a Dominion has full power to make laws having extra-territorial operation.

Parliament of United Kingdom not to legislate for Dominion except by consent.

Powers of Dominion Parliaments in relation to merchant shipping. 57 and 58 Vict., c. 60.

5. Without prejudice to the generality of the foregoing provisions of this Act, sections seven hundred and thirty-five and seven hundred and thirty-six of the *Merchant Shipping Act, 1894*, shall be construed as though reference therein to the Legislature of a British possession did not include reference to the Parliament of a Dominion.

Powers of Dominion Parliaments in relation to Courts of Admiralty. 53 and 54 Vict., c. 27.

6. Without prejudice to the generality of the foregoing provisions of this Act, section four of the *Colonial Courts of Admiralty Act, 1890* (which requires certain laws to be reserved for the signification of His Majesty's pleasure or to contain a suspending clause), and so much of section seven of that Act as requires the approval of His Majesty in Council to any rules of Court for regulating the practice and procedure of a Colonial Court of Admiralty, shall cease to have effect in any Dominion as from the commencement of this Act.

Saving for British North America Acts and application of the Act to Canada.

7.—(1) Nothing in this Act shall be deemed to apply to the repeal, amendment or alteration of the *British North America Acts, 1867 to 1930*, or any order, rule or regulation made thereunder.

(2) The provisions of section two of this Act shall extend to laws made by any of the Provinces of Canada and to the powers of the legislatures of such Provinces.

Saving for Constitution Acts of Australia and New Zealand.

8. Nothing in this Act shall be deemed to confer any power to repeal or alter the Constitution or the *Constitution Act* of the Commonwealth of Australia or the *Constitution Act* of the Dominion of New Zealand otherwise than in accordance with the law existing before the commencement of this Act.

Saving with respect to States of Australia.

9.—(1) Nothing in this Act shall be deemed to authorize the Parliament of the Commonwealth of Australia to make laws on any matter within the authority of the States of Australia, not being a matter within the authority of the Parliament or Government of the Commonwealth of Australia.

(2) Nothing in this Act shall be deemed to require the concurrence of the Parliament or Government of the Commonwealth of Australia in any law made by the Parliament of the United Kingdom with respect to any matter within the authority of the States of Australia, not being a matter within the authority of the Parliament or Government of the Commonwealth of Australia, in any case where it would have been in accordance with the constitutional practice existing before the commencement of this Act that the Parliament of the United Kingdom should make that law without such concurrence.

(3) In the application of this Act to the Commonwealth of Australia, the request and consent referred to in section four shall mean the request and consent of the Parliament and Government of the Commonwealth.

Certain sections of Act not to apply to Australia, New Zealand or Newfoundland unless adopted.

10.—(1) None of the following sections of this Act, that is to say, sections two, three, four, five and six, shall extend to a Dominion to which this section applies as part of the law of that Dominion unless that section is adopted by the Parliament of the Dominion, and any Act of that Parliament adopting any section of this Act may provide that the adoption shall have effect either from the commencement of this Act or from such later date as is specified in the adopting Act.

(2) The Parliament of any such Dominion as aforesaid may at any time revoke the adoption of any section referred to in subsection (1) of this section.

(3) The Dominions to which this section applies are the Commonwealth of Australia, the Dominion of New Zealand and Newfoundland.

History of Statute Revisions in the Provinces of Upper Canada, Canada and Ontario

1763 - 1791

The Treaty of Paris, 1763, ceded the French possessions in North America to Great Britain. On October 7th of that year a Royal proclamation introduced the law of England, both civil and criminal, into the whole of the ceded territory, and formed the Eastern portion of it into the Province of Quebec. The Governor of the new colony received power and direction "so soon as the state and circumstances of the colony would admit thereof, to summon and call a General Assembly", but, until this was done, the Governor and Council were invested with "authority to make such rules and regulations as should appear to be necessary for the peace, order and good government of the Province".

In 1774 the Quebec Act (14 Geo. III, c. 83, Imp.) was passed, by which French law was re-introduced in civil matters, and the limits of the Province of Quebec were enlarged, so as to include the whole of the territory afterwards formed into Upper Canada.

The Quebec Act produced dissatisfaction, especially among the British colonists, and in 1791, the Constitutional Act (31 Geo. III, c. 31, Imp.) was passed, by which the Province of Quebec as it then existed, was divided into the Province of Upper Canada and the Province of Lower Canada, the power of the Governor in Council to legislate was taken away, and a legislature was granted to each Province.

1792 - 1840

1. The first revision of the statutes in the new Province of Upper Canada was made in 1818. It consisted merely of a collection of the Acts of the Province of Upper Canada in force at that date, together with such Acts of the Imperial Parliament and ordinances of the former Province of Quebec as affected Upper Canada.

2. In 1831 a collection of the statutes of Upper Canada in force at that date was published by Messrs. Hugh C. Thomson and James Macfarlane, which, though a private enterprise, long supplied the place of a revision by authority.

1841 - 1866

3. The Act of Union (3 & 4 Vict., c. 35, Imp.) which came into force by proclamation on February 10th, 1841, united the Provinces of Upper and Lower Canada. A revision was soon after begun of the statutes of Upper Canada in force at the date of the union. A commission for the purpose, dated

July 25th, 1840, was issued to the Honourable John Beverley Robinson, the Honourable James B. Macaulay, the Honourable William Henry Draper and John Hillyard Cameron, Esq. It directed the Commissioners "diligently and carefully to examine and revise the several statutes from time to time passed and enacted by the Parliament of Upper Canada, and then in force and effect; and to make such report upon the premises as in their opinion should be most for the interest, welfare and good government of the Province".

The result of the work of the Commission was embodied in two volumes, the first containing public Acts, and the second, local and private Acts. The report to the Governor General, in which the Commissioners announced the completion of the project, is dated 8th March, 1843, and was printed as a preface to the first volume.

In this, as in earlier "revisions", no actual consolidation of the statutes was attempted. The various Acts in force were printed as they had been passed, omitting only such portions as had expired or had been repealed, with notes stating the reasons for omissions, and giving the provisions, if any, which the Legislature had substituted for repealed clauses; errors in the text were left uncorrected, except by way of a note directing attention to them; and the revision did not receive authority by legislative adoption, but was nevertheless, by general use, substituted for the preceding volumes of statutes.

A revision of the Acts and ordinances in force in Lower Canada at the date of the union of Upper and Lower Canada was begun in 1842, and completed in 1845, by a Commission composed of Messrs. A. Buchanan, H. Heney and G. W. Wicksteed. The Commissioners made two reports, which, as well as a prefatory notice, were printed with the volume of revised statutes compiled by them.

4. The first consolidation, properly so called, of the statute law was begun in 1856.

Two Commissions were issued, the first, dated February 7th, 1856, appointed Messrs. John Hillyard Cameron, Joseph C. Morrison, Adam Wilson, Skeffington Connor, Oliver Mowat and David B. Read to examine, revise, consolidate and classify the public general statutes affecting Upper Canada only, and the second, dated March 28th, 1856, appointed Messrs. A. Polette, Gustavus W. Wicksteed, Andrew Stuart, T. J. J. Loranger, Robert Mackay and George de Boucherville to examine, revise, consolidate and classify the public general statutes applying exclusively to Lower Canada. Each Commission directed the Commissioners therein named, jointly with the members of the other Commission, to examine, revise, consolidate and classify the public general statutes which applied equally to both sections of the Province.

Subsequently Messrs. Cameron and Morrison resigned, and in their stead the Honourable J. B. Macaulay and S. H. Strong, Esq., were

appointed. Afterwards Dr. Connor and Mr. Mowat also resigned, preparatory to their becoming candidates for election as members of the Legislative Assembly. In a later stage of the work, and especially during its final revision, the commissioners were assisted by His Honour Judge Gowan, of the County Court of the County of Simcoe.

The first report of the Commission was made on April 19th, 1858, and in 1859 drafts of the Consolidated Statutes for Upper Canada and the Consolidated Statutes of Canada were submitted to the Governor General, accompanied respectively by a report, dated January, 1859, by Sir J. B. Macaulay, the Chairman of the Upper Canada Commission, and a joint report dated March 3rd, 1859, by Sir J. B. Macaulay and Mr. Wicksteed, the acting Commissioner of the Commission for Lower Canada. (*See Sess. Papers, 1859, No. 9.*)

These two volumes were laid before the Legislative Assembly in 1859, and Acts were passed to provide for their coming into force by proclamation.

Pursuant to the provisions of the last-mentioned Acts, the enactments of the then session were incorporated with the consolidation and the two volumes were declared by proclamation to come into force on December 5th, 1859.

1867 - 1950

On July 1st, 1867, by proclamation issued under the *British North America Act, 1867* (30 and 31 V., c. 3, Imp.) the Province of Canada was, with the Provinces of Nova Scotia and New Brunswick, formed into the present Dominion of Canada. Thus the two divisions of the Province of Canada were once more constituted separate provinces, Upper Canada being called the Province of Ontario, and Lower Canada the Province of Quebec.

5. The Revised Statutes of Ontario were prepared by a Commission appointed July 24th, 1874, composed in the first instance of the Honourable William Henry Draper, Chief Justice of Appeal; the Honourable Samuel Henry Strong, the Honourable George William Burton and the Honourable Christopher Salmon Patterson, Justices of Appeal; the Honourable Oliver Mowat, Attorney General; and Messrs. Thomas Langton, Charles R. W. Biggar and Rupert Etherege Kingsford, Barristers-at-Law. The Honourable Thomas Moss upon his appointment as Justice of Appeal, the Honourable Samuel Hume Blake, Vice-Chancellor, and His Honour Judge Gowan, of the County Court of the County of Simcoe, were subsequently added to the Commission.

The work of the Commission was three-fold:

First. To examine, revise, consolidate and classify such of the public general statutes passed by the Parliament of the Province of Canada and applying to Ontario as were within the legislative authority of the Legislature of Ontario;

Secondly. To examine and arrange in the manner most convenient for reference such of the public general statutes passed by the Parliament of the Province of Canada and applying to Ontario as were not within the legislative authority of the Legislature of Ontario; and also the statutes passed by the Parliament of the Dominion of Canada and affecting Ontario;

Thirdly. To examine and arrange in the manner most convenient for reference the statutes of the Imperial Parliament, printed with the Consolidated Statutes of Canada in 1859, as well as all statutes afterwards passed by the Imperial Parliament.

This Commission made three reports, dated respectively December 12th, 1874, December 11th, 1875, and December 30th, 1876. The first report was accompanied by tables showing the consolidation in outline.

The second report announced the completion of the collection of the Imperial Acts, and contained suggestions for legislation to remove discrepancies discovered in the course of the work, and otherwise to facilitate consolidation. Specimens of the work done were also submitted with this report. With the third report was submitted a draft of the revised statutes, which was laid before the Legislature at its session in 1877.

A volume of 633 pages, being a portion of the collection of enactments of the Dominion of Canada, and of the Province of Canada which were not within the legislative authority of the Legislature of Ontario, was presented with the second report; but the completion of this portion of the work of the Commission was afterwards abandoned in view of the preliminary steps which had been taken by the Dominion Government for a consolidation of statutes that would include the Acts of which the Ontario collection would have been composed.

The enactments of the session of 1877 were incorporated in the draft-consolidation above mentioned pursuant to the Ontario Act, 40 V., c. 6, by a commission appointed by the Lieutenant Governor. It was composed of the Honourable Chief Justice Draper, the Honourable Mr. Justice Strong, the Honourable Mr. Justice Burton, the Honourable Mr. Justice Patterson, the Honourable Mr. Justice Moss, the Honourable Vice-Chancellor Blake, His Honour Judge Gowan, the Honourable Oliver Mowat, Attorney General, and Thomas Langton, Esq., Barrister-at-Law.

By a subsequent commission, dated December 31st, 1885, the Honourable Alexander Morris, Ex-Chief Justice of the Province of Manitoba, was added to the Commission. The Commissioners were appointed to consolidate the public statutes of the Province of Ontario, and were directed as they, or any three of them, might think proper to report from time to time their proceedings and progress of the work entrusted to them to the Lieutenant Governor and to be guided by the instructions received from time to time from the Lieutenant Governor in all things not contained in the commission. The Commissioners made their first report in the month of March, 1887, accompanied with a draft of the consolidated statutes, and indicated the manner in which the work had been prepared. The enactments of the session of 1887 were subsequently incorporated in this draft consolidation by the Commissioners pursuant to the authority of the Ontario statute, 50 V., c. 2.

The completion of the work was reported by the Commissioners to the Lieutenant Governor, and the consolidation being approved by him a proclamation was issued on December 20th, 1887, declaring "The Revised Statutes of Ontario, 1887" to be in force on and after December 31st, 1887.
